

What We Do

It's Friday night. The tables are packed. Cards are shuffled and dice thrown, but restlessness eventually sets in and your players start to talk about moving on to the next casino, the next night club, the next bar. And then thirty head-turning ladies scantily clad in hot pink lingerie invade the casino. The Trashy Girls prance through with a flirty fun attitude and a devilish grin. All talk of leaving comes to a screeching halt.

A sister company to Hollywood's famous Trashy Lingerie and Trashy.com, Trashy Girls is an events and promotions company with a sexy spin. Trashy Girls:

- keep your players betting longer.
- help increase your profits by adding a spicy spin to your casino floor. When Trashy Girls storm a casino resort for the weekend, those are the highest grossing weekends for the house.
- have catered to themed events like Super Bowl weekend, pajama parties, naughty school girl parties, and product launch parties for over five years.
- draw thousands including celebrities and sports figures to parties and events.

The weekend starts with a mixer where your players and guests meet the girls. They quickly learn that the Trashy Girls are there to have fun for the weekend. In the summer, the girls invade the pool and crank up the buzz for that evening's party. By the time your main event arrives, your players are pumped and ready roll! The parties inevitably end up in the high rollers. As morning rises, gamblers are still playing each with a Trashy Girl by his side.

Trashy Girls are handpicked for their good looks, their infectious charm, and their penchant for fun. They like to gamble and have a Trashy good time.

There are no wallflowers here. But while our girls are professional, they are not “professionals.” Each Trashy Girl knows that she is representing both Trashy Girls and your establishment. To make sure that everything runs smoothly, Trashy Girls brings trained security professionals and a complete support staff who work in conjunction with the casino and casino security.

The benefits of having Trashy Girls for your events:

- Our devoted clientele always wants to know when and where we will be next.
- “Rollers” and “Whales” ask the casinos for Trashy Girls and casino clients hire us for private events.

- We have an extensive fan base who we email about upcoming events and the media loves us.
- We post pictures and bulletins about all of our events on our website, www.trashygirls.com, which keeps the party momentum going strong.
